
Release Agent R6

Silicone based aerosol release agent

Release agent R6 is a silicone based aerosol release agent for epoxy, polyurethane, polyester and many other materials.

Special Features

- Multi purpose
- Clean and non-staining
- Anti static
- Wide temperature range
- Colourless and odourless
- Maximum operating temperature: 240°C

Product Data

Excellent for use on rubber, plastics, metal, wood and fabric. Ideal non-stick release agent for moulding processes. R6 should not be used if the material is to be painted. Use Release agent R5 instead. Effective as an anti-spatter compound on plain metal surfaces. Lubricates slides, bearings, conveyors, textile needles, food equipment etc. This product will restore and renovate vinyl and plastic finishes and give an excellent surface polish to wood, chrome, rubber and laminates.

Application

Shake can well. Spray onto surface from 20 – 30 cm. Wipe off excess with a lint free cloth.

Storage

Store in a cool, dry place out of direct sunlight.

Packaging

500ml aerosol can

Further Information

Our technical advice, whether verbal, or in writing is given in good faith, but without warranty – this also applies where proprietary rights of third parties are involved. It does not release you from the obligation to test the products supplied by us as to their suitability for the intended process and use.

Before using any of our products, users should familiarise themselves with the relevant Technical and MSDS provided by Alchemie Ltd.

Alchemie Limited

Alchemie Ltd develop, formulate and distribute Epoxy Resins, Polyurethane Resins, Silicones, Model Boards and Sheet Wax for use in the following applications:

- Electrical encapsulation
- Rapid Prototyping
- Prototypes
- Casting
- Gel Coating
- Laminating
- Model Making
- Master Models
- Flexible and rigid mould making

We offer fast service, technical support, development expertise, innovative products, diverse knowledge and experience.

We are a well-established company, with a high level of investment and experience. We implement BS EN ISO 9001.
